Adventures are full of unknown places and spaces. Can you make an adventure map - it might be a place you have wandered to or somewhere you would like to go....

TUESDAY
CHURCH

Are there ways that you would like to grow? Write them in the leaves or place your finger on a leaf as you think of something.

What are the things that help you grow?

Can you write or draw them in the ground.

Thank God for these things.

If you were sat in an armchair with God,
what would you say? How might you feel?

of people. Who do you enjoy being
with, sharing your time and spaces.

Leaves rustle, dance, grow and fall
and yet always seem to be at
peace. The sounds and colours
bring such delight through all the
seasons. I wonder which leaves
you can spot?

Everyone

with
love

This world belongs to everyone, we all have a place to love and be loved. I wonder who you would add to the picture to share with you or where you might be?

WHAT LETTERS DID YOU FIND?

The world is full of signs of love - birds singing, the sun rising, colours and all the wonder of creation. We hope as you have wandered you have seen love and you know you are loved.

what did you love
about your wander?

Agape is a Greek word in the bible which means 'unconditional love'. That is giving love without expecting anything back.

Did you find love?

For God so loved the world that He gave His only Son. Whoever puts his trust in God's Son will not be lost but will have life that lasts forever.
