

What colours remind you of joy?

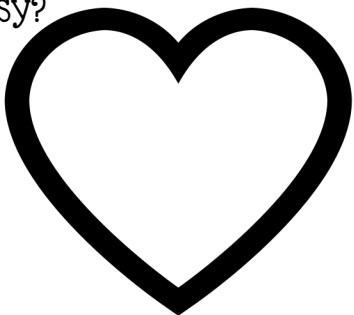

JOY

Can you add something that makes you happy into each petal?

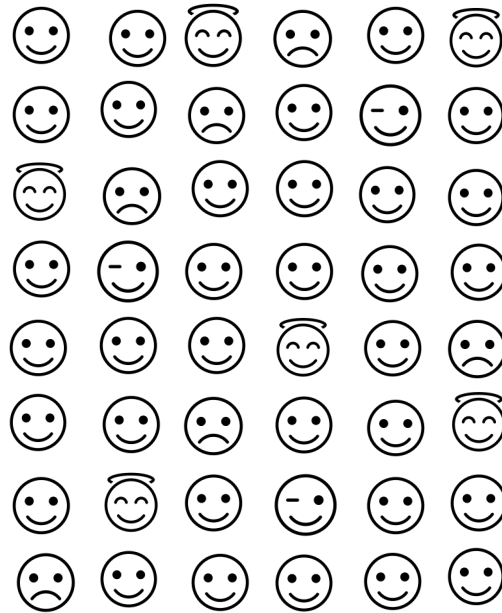

Can you pause and look around you. What can you notice that you might have missed if you'd just been busy?

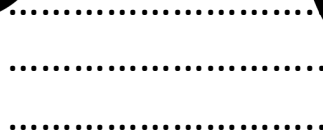

Have you ever lost joy?
What takes your joy away?

How many happy faces can you find?

What places make you happy?

Choose Joy

James 1:2

In the bible it talks about choosing joy, I wonder what you might choose rather than joy?

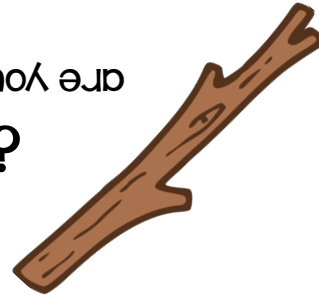

Can you hear any happy animals?

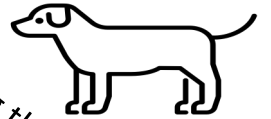

Can you see joy around you?

are you happier inside or outside?

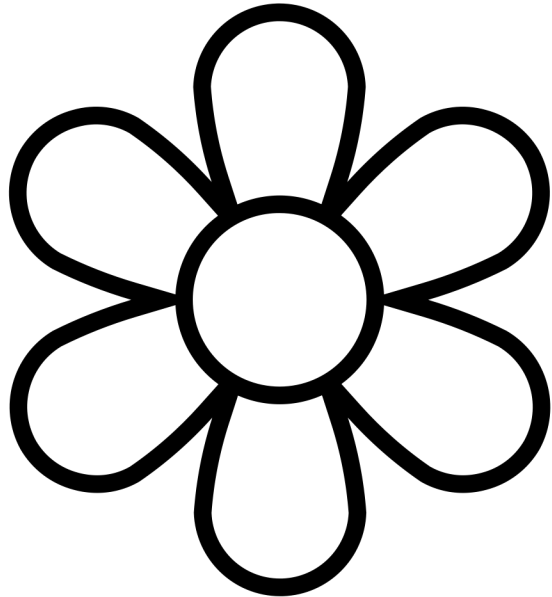

Can you find a stick shaped like a 'J'?

Puppy dogs wag their tail to the right when they are happy and to the left when they are sad

I wonder what joy sounds like?

How many round things can you see?

Choose Joy

James 1:2

In the bible it talks about choosing joy, I wonder what you might choose rather than joy?
