

A

As you begin,
pause and look
around you.
What do you see,
hear, smell...

Can you
see new
things
starting?

WHAT DID YOU DO TO GET READY?
DO YOU THINK THE WORLD IS READY?

I wonder where
God begins?

can you always
measure growth?

row

what is
growing here?

what has been
here the longest?

are things growing
that aren't in the
ground?

I wonder if
God grows?

A LONE with love

Sometimes we can be so busy we don't notice all the world around us. What can you see?

As you pause
listen to things
around you....

I wonder if God
is ever lonely?

Peace

with
love

can you see where
storms have been?

Take a few deep breaths.
As you inhale, ask God to give you peace.
As you exhale, release the things that are
worrying you.

are there
places that
look angry?

I wonder if God
shares peace?

who has been in this place before?

Everyone

with
love

who is missing from this place?

Can you see any
footprints?

I wonder if God
is here?

WHAT LETTERS DID YOU FIND?

The world is full of signs of love - birds singing, the sun rising, colours and all the wonder of creation. We hope as you have wandered you have seen love and you know you are loved.

Agape is a Greek word in the bible which means 'unconditional love'. That is giving love without expecting anything back.

what did you love about your wander?

Did you find love?

For God so loved the world that He gave His only Son. Whoever puts his trust in God's Son will not be lost but will have life that lasts forever.

John 3:16 (NLV)
