# Bee Kind

Can you do something kind for a neighbour?

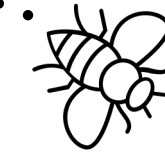

Can you see other homes as you wander – it may be where a person lives, an animal or an insect

I wonder what words God would use to describe you?

**Bees live in a colony.**

A colony of bees consists of 20 000 to 60 000 worker bees.

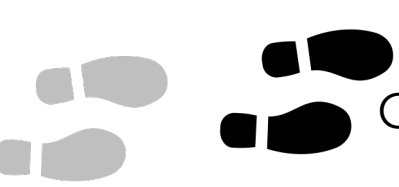

Kind words are like honey - Sweet to the soul and healthy to the body

Proverbs 16:24

**Muddy Church**

**Bishops' Appeal**  
Church of Ireland World Aid and Development

## Honeycomb Scavenger hunt:

Can you find these items and tick them off as you discover them

# Bee Patient

But if we hope for what we don't see, we wait for it with patience.

Romans 8:25

**Bees are amazing at mathematics and engineering.** They build using hexagons which are the best shapes to fix together with the smallest space for extra wax. How clever is that?

What shapes can you discover?

Did you know honey bees never sleep?

I wonder if you can sense God anywhere?

Bees have five eyes and six legs

#connect4creation

Bees can see all colours except red.  
That and their sense of smell help them  
find the flowers they need to collect  
pollen.  
What red items can you see?

A happy heart makes the face cheerful,  
but heartache crushes the spirit. PROVERBS 15:13

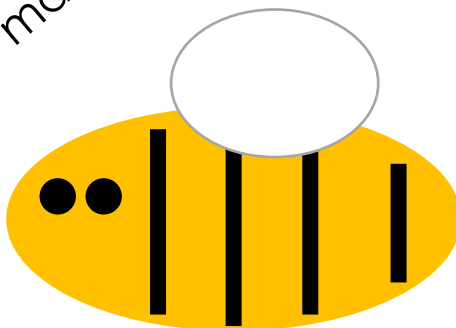

# Bee happy

What can you smell?

Bees communicate where nectar is through a  
'waggle dance'. They move in a small figure of 8  
shape to tell their friends where to find the  
nectar and how to get home.

Can you do a waggle dance?

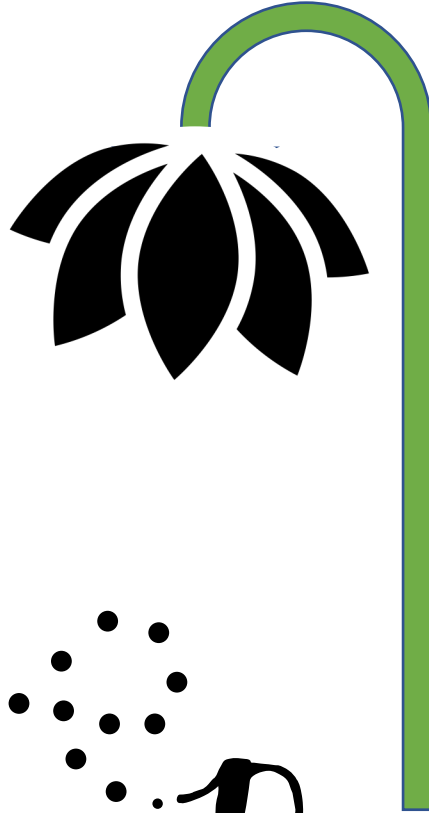

What smells make you happy?

Each bee has  
170 odorant  
receptors, which  
means they have  
one serious sense  
of smell.

I wonder what the fragrance of God is like?

To produce a kilogram of honey, bees fly the equivalent of three times around the world in air miles – that is amazing!

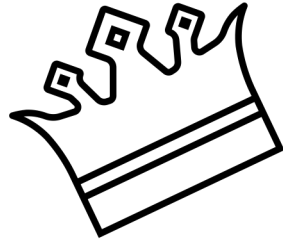

Can you see any flower bowing?

What do you think the most important things are that you can see?

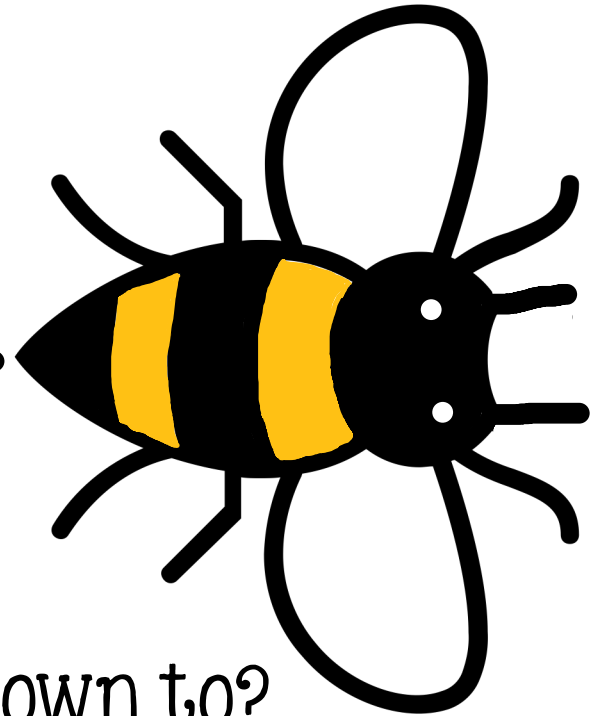

One queen is in charge of the whole hive and she lays all the eggs that will create the next generation of bees.  
If you were in charge of the country for the day what would you do?

Can you see trees bowing in the wind

# Bee Humble

Humble yourselves before the Lord, and he will lift you up.  
James 4:10

#connect4creation

I wonder what things you bow down to?
