CREATE A
Garland

Cut out paper leaf shapes, add prayers or praises onto them. String them together with string or wool.

you BELONG

Add names onto leaves for prayers
or being a part of this group

Praise PATHWAYS

People placed cloaks and branches on the ground to recognise Jesus. What might be written on the streets and paths to celebrate Jesus being in your neighbourhood?

A wonderful wondering opportunity - what might Jesus be like in the things, places and spaces around us?

Simply cut a frame from cardboard or paper and invite people to think about what Jesus might be like.
